# ANNUAL REPORT

2024-2025

## DIRECTOR'S NOTE

Year 2025

Executive Director

Cooperative outreach of India for the past 33 years has been impacting North India through collaboration enriching the lives of tens of thousands of young adults, women and children to have access to opportunities, life skills and education across various social structures in rural and urban settings. Many colleges have opened its doors to hear the Words.

COI is always grateful to our creator God for His help in our work implementation. Many of the stakeholders and partners who have significantly impacted through their valuable contribution towards building a healthy society and allowing it to give opportunities to the people for realizing their God given potential. You all deserve applaud on behalf of people.

Cooperative Outreach of India believes in networking with like-minded organizations. we've been able to resource various capacity building leadership trainings across India each month training thousands of leaders and organizations; assisting them to understand the needs of the people, context of their area and social welfare impact through implementation of quality oriented holistic projects in collaboration with COI.

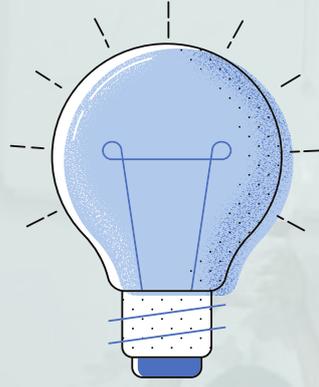

In the year 2026 COI wants to inaugurate its full-fledged training center for equipping the leadership in North India

I personally want to thank God for each one of you who have continued to encourage us through your prayers and support. We want to thank you for partnership in the growth of God's kingdom, I want to thank my team who plays a very inspirational role with others.

Jer 29:11 "For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future."

# KEY WORKING AREAS

## EDUCATION

Cooperative Outreach of India has been catering to the needs of marginalized children in various localities in Delhi and other states through our establishment. These children learn the life skills; they have access to their childhood through creative ways of teaching and get their dignity back. Education helps them keep their path straight, dream big and aim higher.

## WOMEN EMPOWERMENTS

Women are the key for a meaningful development in society. Women in the communities are brought together through various activities and program to weave a world of their dream. COI centers in various locations help them through consistent Vocational Trainings, SHG's (Self Help Groups) provide them financial stability and independence. In a time when employment is rarely available this gives them huge financial leverage.

## SKILLS DEVELOPMENT

India is a young country with population of about 65% of its people are under the age of 35 years and maiden age is around 29 years. Every young person aspires for a job some time early in life that is difficult to come in a competitive world. COI has launched an initiative for the skill development by providing them avenues to enhance their skills. We enroll them in various trades as per their aptitude and skill to help them find a suitable job. This is a big boost for the youth in our communities.

## HEALTH CARE

COI has been giving due care for a good healthcare system in our target communities. Our immediate beneficiaries are children, women, adolescent girls, youth and people in need. There is a pool of doctors who come on regular basis to provide medical care to the targeted communities periodically when in needs. They provide curative as well as preventive treatment to all the segment of the community where we served . There is good emphasis on proper trainings to women, children and people in needs by various professionals in various aspects of human developmental cycle.
